1 Use of the Website

- 1.1 The Website is provided to you for your personal use subject to these Terms and Conditions. By using the Website you agree to be bound by these Terms and Conditions.
- 1.2 In addition to these Terms and Conditions there are terms and conditions that apply to specific areas of the Website and you will be asked to review and agree to before accessing those areas of the Website or participating in the activities provided in those areas of the Website.

2 Amendments

We may update these Terms and Conditions (or any other terms and conditions relevant to specific areas of the Website) from time to time for legal or regulatory reasons or to allow the proper operation of the Website. Any changes will be notified to you via the e-mail address provided by you on registration or via a suitable announcement on the Website. The changes will apply to the use of the Website after we have given notice. If you do not wish to accept the new Terms and Conditions you should not continue to use the Website. If you continue to use the Website after the date on which the change comes into effect, your use of the Website indicates your agreement to be bound by the new Terms and Conditions.

- 3.2 You must inform us immediately of any changes to the information that you provided when registering by updating your personal details in order that we can communicate with you effectively.
- 3.3 Certain parts of the Website will not be available to you if you are under eighteen years of age or if you live in a country that has

laws that prevent you from participating in certain activities provided on the Website.

4 Password and security

- 5.3 You agree to review tracks in a considered fashion. Any attempt to review without consideration will be noted by system administrators and may result in you being permanently barred from further scouting.
- 5.4 Copy and pasting of review comments is not permitted. The system administrators make regular comparisons of reviews to determine if you are reusing the same or similar comments in your reviews. If this occurs, it may result in you being barred from further scouting.
- 5.5 The use of multiple accounts or browsers whilst scouting is not permitted and may result in you being barred from further scouting.
